

# Join the **Learning Communities** at UNCG!

Learn together with **US**

Make the most of your UNCG experience...

... learn with friends, transition to college, and **succeed at UNCG!**

*By joining one of UNCG's signature learning communities or living-learning communities you'll gain real world experience, while building a foundation for lifelong learning!*

## Exploratory Studies

Are you still considering what to major in at UNCG? Do you want to explore several majors before selecting which is right for you? Join the Exploratory Studies Learning Community and try on a potential major. Through Exploratory Studies, students can take general education courses that will allow them to see what a major has to offer. Students will work with a dedicated faculty member on campus, while navigating which major is the best fit for their time at UNCG.

We offer exploring tracks within the Humanities, Biological Sciences, the Social Sciences, Business, Health and Wellness, and one track for the true undecided student.

### ELIGIBILITY:

Open to all first year students who are still exploring majors or are deciding between two or more majors at UNCG

\*\* This Learning Community is open to students living on-campus or commuting to campus

### Required Courses:

Fall

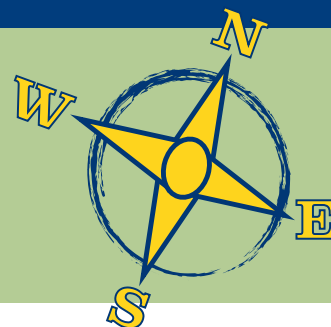

FFL 101 and one general education course related to a potential area of study

Spring

FFL 103 and one general education course

### Benefits:

- Share courses and live with other students
- Advising and networking with dedicated faculty
- Guaranteed registration in specially designed courses
- Create connections with upperclassmen mentors
- Begin exploring opportunities at UNCG with faculty, while trying on a major
