

# Strong Residential COLLEGE

## What is Strong Residential College?

Strong Residential College is a tightly knit community of students and faculty in South Spencer Residence Hall. As the students say, South Spencer is the house and Strong College is the home! Within the community, students have the opportunity to make connections with one another and with faculty members, to take a course from the director each semester of their freshman year, and to pursue their intellectual, social, and personal interests through a variety of activities.

The Strong College environment encourages you to mix with and learn from students from many different backgrounds and with many different life experiences. Why not live in a place with a network of support, advice, respect, and laughter? Why not live in a place where you can have professors as mentors and friends?

THE UNIVERSITY of NORTH CAROLINA  
**GREENSBORO**

Undergraduate Studies  
Office of Learning Communities

## Strong College Offers:

- A required 1-hour readings course for freshmen members in both Fall & Spring semesters
- A cozy, study-friendly atmosphere
- A student-run hall council to plan and carry out activities such as charitable fund-raisers, picnics, and annual special events
- Traditional events such as the Halloween and Valentine's dances, the Croquet Tournament, and the Regatta
- Student/faculty trips to cultural events, the 'Culture Vultures'

## Admissions:

- Any admitted freshman or current undergraduate may apply to Strong College as long as he or she has an active Housing contract. Students can spend their entire undergraduate careers in Strong College if they choose!
- The director reviews applications on a rolling basis
