**In a learning community,  
you'll learn with friends  
and thrive at UNCG!**

**Learning Communities at UNCG  
feature integrated learning.**

All communities include two to three courses that are integrated for deeper learning. This means that learning community students will be enrolled in shared courses that integrate assignments across multiple courses. For the student, you begin to see how courses and disciplines are interwoven across programs and majors.

## **Apeman to Spaceman: Anthropology and Science Fiction Learning Community**

The Apeman to Spaceman Learning Community is designed for students from all majors to explore the interactions of biology, culture, and environments in both real and imagined worlds. Through an exploration of science fiction, students will have extended opportunities to see how alternative worlds are created in fiction, and how the genre is used as a vehicle to understand humans in the past, present, and future.

Required Courses:

Fall ATY 253: Introduction to Physical Anthropology  
ATY 253L: Introduction to Physical Anthropology Lab  
ATY 213: Introduction to Cultural Anthropology  
ISL 101: Connections, Collaborations & Inquiry
