Communities
Learn together with US

In a learning community, you'll learn with friends and thrive at UNCG!

Learning Communities at UNCG feature integrated learning.

All communities include two to three courses that are integrated for deeper learning. This means that learning community students will be enrolled in shared courses that integrate assignments across multiple courses. For the student, you begin to see how courses and disciplines are interwoven across programs and majors.

Exploratory Studies Learning Community & Living-Learning Community

The Exploratory Studies Learning Community is open to first-year students who may be undecided or considering more than one major. Students will “try” on potential majors, while exploring their own interests, values, strengths, and potential major choices.

**Students must be declared as
Exploratory Studies majors
and advised by Students First.**

This community is open to students
living on-campus or commuting to campus.

Option to live together in Moore/Strong Halls

Required Courses:

Fall CST 105: Introduction to Communication Studies
ISL 101: Collaboration, Connection & Inquiry

For more information and an application visit:
