**In a learning community,  
you'll learn with friends  
and thrive at UNCG!**

**Learning Communities at UNCG  
feature integrated learning.**

All communities include courses that are integrated for deeper learning. This means that learning community students will be enrolled in shared courses that integrate assignments across multiple courses. You will begin to see how courses and disciplines are interwoven across programs and majors.

## **Interior Architecture Learning Community**

All students admitted to the Interior Architecture major will be enrolled in the IARc Learning Community. Courses within the IARc curriculum have traditionally included integrated learning at their foundation. The Learning Community enhances the integrated IARc curriculum with co-curricular programs, such as The New York Times and trips to Monticello and Fallingwater.

Students must apply to the IARc major and be formally admitted for this community.

**Find out more about the IARc major at:**  
<http://www.uncg.edu/iarc>

### **Required Courses:**

Fall IAR 101: Environmental Design I, IAR 110: Design Visualization I,  
ART 100: Introduction to Art

Spring IAR 102: Environmental Design II, IAR 112: Design Visualization II
