## Vision Statement of the Bryan School

Our vision is that the Bryan School of Business & Economics shall be recognized as the premier business school among regional public universities in the U.S.

## Mission Statement

In the Bryan School of Business & Economics, we create and disseminate knowledge about the theory and practice of business. In addition to our courses and research, we accomplish this through hands-on projects, global experiences, and outreach to the community. Our work produces principled leaders and exceptional problem solvers who have a global perspective, an innovative mindset, a broad understanding of sustainability, and a commitment to improve the organizations in which they work and the communities in which they live.

## Core Values

We are a learning community characterized by a spirit of inquiry, pursuit of continued improvement, professionalism, trust, ethical behavior, and good citizenship and are committed to the University's values of inclusiveness, collaboration, sustainability, responsibility, and transparency.
