

Student Biography

During the semester we will talk about very intimate topics, so I think it is appropriate that I get to know you better. Please only share what you are comfortable sharing... there is no pressure! *Attach a digital picture of yourself or a drawing for me to 'picture' you while reading your biography.*

Demographics

Your name, hometown, and life status (whatever you think this is).

Life Experiences

Tell me about one or two situations that you have had which relate to the subject matter of this course.

Highlights

Tell me about the hobbies you enjoy; who your heroes or heroines are; skills or talents of which you are especially proud.

Academics

What is your major and what do you plan to do with your degree?
Why are you taking this Biology of Sex Class?
