NOTE: These committee assignments are based on your expressed interests as you joined the Board, but can be changed if your interests are now different. We have also and separated and in some case cases created different committees this year to work on different projects, so please inform Barry Miller (by phone at 256-0112 or by email at barry_miller@uncg.edu) if you want to change your committee assignments. Because of the creation of the ongoing book sale, the book sale committee has been disbanded for this year. Members are still welcomed and encouraged to donate books for the sale.
