## A BRIEF HISTORY OF THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

The University of North Carolina at Greensboro was established by legislative enactment on February 18, 1891 and opened its doors on October 5, 1892.

The institution came into being as a direct result of the efforts of Dr. Charles Duncan McIver on behalf of the education of women. To Dr. McIver, more than any other individual, the university owes its foundation. He became its first president and served until his death in 1906.

Since its founding, the institution's name has been changed several times: 1891–1919—State Normal and Industrial College; 1919–1932—North Carolina College for Women; 1932–1963—The Woman's College of the University of North Carolina. In the 1963 General Assembly the name was changed to The University of North Carolina at Greensboro and by the same Act the institution became co-educational. In the fall of 1964 the first class of male students was admitted. In 1972 the General Assembly in special session merged all State supported institutions of Higher Education into The University of North Carolina without changing the names of each campus. Thus, The University of North Carolina at Greensboro is a member of the 17-campus university.

From a student body of 223 and a faculty of 15 in 1892, the University of North Carolina at Greensboro has grown to a student body of 16,126 resident students—16% of whom are graduate students—and a total faculty of 1,005. The Division of Continual Learning has grown to an enrollment in academic credit courses of 2,041.

The University of North Carolina at Greensboro includes the following academic units: College of Arts and Sciences, Joseph M. Bryan School of Business and Economics, School of Education, School of Health and Human Sciences, Lloyd International Honors College, School of Music, Theatre and Dance, Joint School of Nanoscience and Nanoengineering, and School of Nursing. The university offers six bachelor's degrees in over 100 fields, master's degrees in a wide variety of concentrations, and doctoral degrees in 30 areas of study.

### THE PROCESSIONAL

The procession is led by the Faculty Marshal and Mace Bearer and the academic banner bearers. The Assistant Chief Marshals enter next, leading the platform party, which includes the Chancellor; representatives of the Board of Trustees, the Alumni Association, and The University of North Carolina; the commencement address speaker; the officers of the university; the bell ringers; the class speaker; the tassel turner, and the Chief Marshal. Graduating candidates enter next, followed by the faculty.

### THE MACE

The Mace is a ceremonial insignia of the university in a tradition that dates back to antiquity. Hand-chased in sterling silver, it bears academic motifs depicting the history of the institution and is carried by the Faculty Marshal on official occasions. The Mace of The University of North Carolina at Greensboro was presented by the Class of 1926 to commemorate the fiftieth anniversary of its graduation and the Bicentennial of the Nation. It was first carried at Commencement in 1978.

---

## THE FACULTY MARSHAL

The Faculty Senate of The University of North Carolina at Greensboro adopted on November 3, 1999 a policy for appointing the Faculty Marshal. The Chancellor appoints the Faculty Marshal from among three nominees recommended by the Faculty Senate leadership (Chair, Chair-Elect, Secretary). The Faculty Marshal is a respected senior member of the faculty who has a consistent and continuous record of excellent teaching, scholarly achievements, and service to the university. Years in rank as Professor and years of employment at UNCG are considered. The term of appointment for a Faculty Marshal is five years. Duties include leading the academic procession during university ceremonies, carrying the university Mace, and membership in the Commencement Committee, which plans Commencement.

---

## THE CHAIN-OF-OFFICE

The Chain-of-Office is worn by the Chancellor of the university on occasions when the Mace is carried. The ceremonial medallion, hand-chased in sterling silver, bears the seal of the university, and indicates that the Chancellor is the temporary embodiment of the authority vested in the institution. The Chain-of-Office of The University of North Carolina at Greensboro was presented by the Class of 1929 on the occasion of the fiftieth anniversary of its graduation and was worn by the Chancellor for the first time at the 1979 Commencement.

The Class of 1940 chose to complete the original design of the Chain-of-Office on the occasion of the fiftieth anniversary of its graduation. Each link of the sterling silver neck chain is an individually cast laurel leaf. The medallion clasp, also in sterling silver, bears the Great Seal of the State of North Carolina. The completed Chain-of-Office was worn by the Chancellor for the first time at the 1990 Commencement.

---

## THE UNIVERSITY FLAG

The University Flag made its debut on campus in the academic processional for Patricia A. Sullivan's installation as Chancellor of the university on October 2, 1995. The flag bears the traditional colors of gold and white, which were first used in the commencement ceremony of 1894, as well as navy, which was added as the third color in 1987. The University Seal, depicting the likeness of Minerva, appears on both sides of the flag. The UNCG Board of Trustees approved the design as the official flag of the institution on September 7, 1995.

---

## THE ACADEMIC BANNERS

The Academic Banners represent the constituent parts of The University of North Carolina at Greensboro: The Graduate School, the College of Arts and Sciences, and the six professional schools—The Joseph M. Bryan School of Business and Economics, the School of Education, the School of Health and Human Sciences, the School of Music, Theatre and Dance, the Joint School of Nanoscience and Nanoengineering, and the School of Nursing. The designs are unique to this university; the colors have historical association with the respective academic disciplines. The banners are a memorial to Marguerite Norman Felton, teacher of chemistry at the university from 1956 to 1979.

Over the years, several generations of College and School Banners have existed. The current Banners were recently redesigned and made their Commencement debut at the May 2010 ceremony.

---

## THE HISTORY OF THE UNIVERSITY BELL

Following the benediction, the University Bell will ring in honor of the Graduates. The University Bell sounded the opening of the State Normal and Industrial College (now UNCG) on October 5, 1892. For forty years—until electric bells were installed—it marked the significant moments of the day. The University Bell hung from a belfry in the Anniversary Plaza from 1967 until 1987 when it was removed for the purpose of restoration. The Class of 1940, in celebration of the 50th anniversary of its graduation, commissioned the restoration of the University Bell.

---

## UNIVERSITY MARSHALS

The Banner Bearers and escorts for all lines of march during Commencement are provided by the University Marshals, an academic honorary organization composed of full-time undergraduate students with academic averages of 3.65 or greater. These students may be recognized by the gold sashes that they wear during the ceremonies.

---

## ACADEMIC REGALIA

Academic costumes seem to have originated at the Universities of Oxford and Cambridge over 650 years ago. The colors of The University of North Carolina at Greensboro are gold, white, and blue, with gold and white used in the hood.

## AMERICA THE BEAUTIFUL

*stanzas one and four*

O beautiful for spacious skies, For amber waves of grain, For purple mountain majesties Above the fruited plain! America! America! God shed his grace on thee And crown thy good with brotherhood From sea to shining sea!	O beautiful for patriot dream That sees beyond the years Thine alabaster cities gleam Undimmed by human tears! America! America! God shed his grace on thee And crown thy good with brotherhood From sea to shining sea!
---	---

## THE UNIVERSITY SONG

*The Alma Mater*

We raise our voices, let them swell  
In a chorus loud and strong;  
The rolling hills send back the sound  
Of our triumphant song.  
For in one great unbroken band  
With loyal hearts and true,  
Your sons and daughters stand and sing  
University, to you.

# RECOGNITIONS AND HONORS

## GRADUATION WITH HONORS

Graduation with honors for undergraduates is based on all courses (including the last semester's work) for which grades and grade points are given. The honors shown in the commencement program for December undergraduates, however, are based on work taken through spring or summer 2015. Since fall semester grades had not been reported at the time this program was printed, some modifications in the tentative honors shown will have to be made following the recording of the fall semester 2015 grades. To be eligible for honors at the end of the senior year, a student must have completed at least 45 hours of work in residence at UNCG, not including hours for which credit and grade points have been received by special examinations.

Honors are awarded to graduating seniors as follows. The highest level is summa cum laude (with highest honor), maintaining a grade point average between 3.90–4.00 for all work taken at the University of North Carolina at Greensboro. The next level, magna cum laude (with great honor), indicates an average of 3.70–3.89. The third level, cum laude (with honor), represents an achievement of 3.50–3.69.

## STUDENT EXCELLENCE AWARDS

The Student Excellence Award is UNCG's highest academic award for undergraduates whose academic careers are the best of the best based upon (1) demonstrations of creativity and originality, (2) motivation, initiative, and perseverance; (3) analytic, synthetic, and critical thinking skills; and (4) the ability to communicate both orally and in writing. Evidence of these qualities is typically found both inside and outside the classroom and typically includes some combination of independent research or other creative activities, study abroad, and community involvement linked to the student's academic studies.
