## A BRIEF HISTORY OF THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

The University of North Carolina at Greensboro was established by legislative enactment on February 18, 1891, and opened its doors on October 5, 1892.

The institution came into being as a direct result of the efforts of Dr. Charles Duncan McIver on behalf of the education of women. To Dr. McIver, more than any other individual, the university owes its foundation. He became its first president and served until his death in 1906.

Since its founding, the institution's name has been changed several times: 1891–1919—State Normal and Industrial College; 1919–1932—North Carolina College for Women; 1932–1963—the Woman's College of the University of North Carolina. In the 1963 General Assembly the name was changed to the University of North Carolina at Greensboro and by the same Act the institution became co-educational. In the fall of 1964 the first class of male students was admitted. In 1972 the General Assembly in special session merged all state-supported institutions of higher education into the University of North Carolina without changing the names of each campus. Thus, the University of North Carolina at Greensboro is a member of the 17-campus university.

From a student body of 223 and a faculty of 15 in 1892, the University of North Carolina at Greensboro has grown to a student body of 19,764 resident students—19% of whom are graduate students—and a total faculty of 858.

The University of North Carolina at Greensboro includes the following academic units: College of Arts and Sciences, Joseph M. Bryan School of Business and Economics, School of Education, School of Health and Human Sciences, Interdisciplinary College, Lloyd International Honors College, Joint School of Nanoscience and Nanoengineering, School of Nursing, and College of Visual and Performing Arts. The university offers six bachelor's degrees in 76 fields, master's degrees in a wide variety of concentrations, and doctoral degrees in 28 areas of study.

---

### THE MACE

The Mace is a ceremonial insignia of the university in a tradition that dates back to antiquity. Hand-chased in sterling silver, it bears academic motifs depicting the history of the institution and is carried by the Faculty Marshal on official occasions. The Mace of the University of North Carolina at Greensboro was presented by the Class of 1926 to commemorate the fiftieth anniversary of its graduation and the bicentennial of the nation. It was first carried at Commencement in 1978.

---

### THE UNIVERSITY FLAG

As the university has evolved from the State Normal and Industrial School in 1891 to UNC Greensboro today, so has the University Flag. The flag bears the traditional colors of gold and white, which were first used in the Commencement ceremony of 1894, as well as navy, which was added as the third color in 1987. In 2018, the university completed a brand refresh with updates to its colors including new shades of navy and gold as well as adopting a fourth color, grey. In 2020, a revision of the University Flag was completed to include official university colors. The December 2020 Commencement marks the debut of this new flag. The University Seal, depicting the likeness of Minerva, appears on both sides of the flag.

---

### THE HISTORY OF THE UNIVERSITY BELL

Following the benediction, the University Bell will ring in honor of the Graduates. The University Bell sounded the opening of the State Normal and Industrial College (now UNC Greensboro) on October 5, 1892. For forty years—until electric bells were installed—it marked the significant moments of the day. The University Bell hung from a belfry in the Anniversary Plaza from 1967 until 1987 when it was removed for the purpose of restoration. The Class of 1940, in celebration of the 50th anniversary of its graduation, commissioned the restoration of the University Bell.

UNIVERSITY MARSHALS

The Banner Bearers and escorts for all lines of march during Commencement are provided by the University Marshals, an academic honorary organization composed of full-time undergraduate students with academic averages of 3.65 or greater. These students may be recognized by the gold sashes that they wear during the ceremonies.

“THE UNIVERSITY SONG”

*The Alma Mater*

We raise our voices, let them swell  
In a chorus loud and strong;  
The rolling hills send back the sound  
Of our triumphant song.  
For in one great unbroken band  
With loyal hearts and true,  
Your sons and daughters stand and sing  
University, to you.

## RECOGNITIONS AND HONORS

### GRADUATION WITH HONORS

Graduation with honors for undergraduates is based on all courses (including the last semester's work) for which grades and grade points are given. The honors shown in the Commencement Program for December undergraduates, however, are based on work taken through Spring or Summer 2020. Since fall semester grades had not been reported at the time this program was printed, some modifications in the tentative honors shown will have to be made following the recording of the fall semester 2020 grades. To be eligible for honors at the end of the senior year, a student must have completed at least 45 hours of work in residence at UNCG, not including hours for which credit and grade points have been received by special examinations.

Honors are awarded to graduating seniors as follows. The highest level is summa cum laude (with highest honor), maintaining a grade point average between 3.90–4.00 for all work taken at the University of North Carolina at Greensboro. The next level, magna cum laude (with great honor), indicates an average of 3.70–3.89. The third level, cum laude (with honor), represents an achievement of 3.50–3.69.

## RECOGNITIONS AND HONORS

### GRADUATION WITH HONORS

To be eligible for honors at the end of the senior year, a student must have completed at least 45 hours of work in residence at UNCG, not including hours for which credit and grade points have been received by special examinations.

Honors are awarded to graduating seniors as follows. The highest level is summa cum laude (with highest honor), maintaining a grade point average between 3.90–4.00 for all work taken at the University of North Carolina at Greensboro. The next level, magna cum laude (with great honor), indicates an average of 3.70–3.89. The third level, cum laude (with honor), represents an achievement of 3.50–3.69.
